## **Next Steps:**

***Proposal Evaluation.*** The bid solicitation period has closed and the bids received timely will be evaluated for technical and substantive compliance to the RFP terms. Compliant RFPs then undergo an evaluation in accordance with the evaluation criteria identified in the RFP.

***Contract Negotiations.*** Upon completion of the evaluation process, the State may select one or more Vendors with which to negotiate a contract, based on the evaluation findings and other criteria deemed relevant for ensuring that the decision made is in the best interest of the State. In the event State is not successful in negotiating a contract with a selected Vendor, the State reserves the option of negotiating with another Vendor, or to end the proposal process entirely. Please be aware, until a contract is executed the State cannot disclose who we've entered into negotiations with or other contract award information.

***Executed Contract.*** Once the State has a fully executed contract, we will update the original [Vermont Business Registry](#) posting to include contract award information.
