Agency of Transportation

DATE: April 9, 2015

Amscot Structural Products Corp.
241 East Blackwell Street
Dover, NJ 07801

Project Name: Colchester **Project #: STP 5600(12)**

Structure Identification: Bridge #12 on the Mill Pond Road Over Indian Brook

The following Item **531.17 "Bearing Device Assembly, Steel Reinforced Elastomeric Pad"** details and welding procedures for the above project, transmitted and received by our office on March 30, 2015 have been reviewed and are being returned herewith.

Sheets: 1 – 4 are **"approved as noted"**.

Upon receipt of these "approved" plans, please make appropriate changes and submit for our use in the record plans for this project.

The welding procedures are **"approved".**

You must provide notice to our fabrication inspector, Jeff Clark, as to the date fabrication represented by these drawings will begin. That notice must be received and acknowledged at least seven days prior to that date, as per Specification 506.03. Jeff may be contacted by phone at (802)828-0044 or email at jeff.clark@state.vt.us. Any material fabricated prior to the notification date is subject to rejection without further cause.

Sincerely,

Carolyn W. Carlson, PE
Structures Project Manager
