The funding available is intended to help expand the State's visual asset library to help promote Vermont through both owned and paid media activities, including but not limited to, digital display ads, billboards, print advertisements, sponsored content, email marketing, social media, and the [VermontVacation.com](http://VermontVacation.com) website.

**2.3. Program Elements.** The State is seeking imagery and video that depicts a wide range of settings and activities in Vermont, both including people and without.
