RE: Public records request received 08.27.2026

Dear Mr. Shroades,

This responds to your public records request received by the Public Service Department (PSD) on August 27, 2026. The PSD forwarded your request to the undersigned with respect to RSM US LLP, as the Vermont Community Broadband Board was a contracting party with RSM. The text of your request is copied below:

> "[E]lectronic copies of records from January 1, 2022 to the present related to the current and active contract between the **State of Vermont Department of Public Service** and the following vendors:
> **1. Alliance Enterprises**
> **2. RSM**
> **3. WellSky**
>
> Please include, or provide records showing, the following information:
> • The names of the contracting parties.
> • The nature and purpose of the contract.
> • The start and end dates of the contract.
> • The total value or cost of the contract.
> • Any amendments, extensions, renewals, change orders, or related approval documents associated with the contract."

Please be advised that the VCBB does not have a current or active contract with RSM and therefore does not have any documents that are responsive to your request.

Pursuant to 1 V.S.A. § 318(a)(2) you have the right to appeal determinations set forth in this letter to the Executive Director of the Vermont Community Broadband Board. Pursuant to that provision, the Executive Director will provide a written decision on that appeal within five (5) business days.

Kind regards,

Ginny Raboin
