Municipal Planning Grant Rural Towns

Summary

For rural towns with a population of less than 2,500 as defined in 24 V.S.A. §4303(25), the regional planning commission (RPC) may serve as an agent of the town for the Municipal Planning Grant. The RPC agent is expected to prepare the application, support grant administration and will be exempt from competitive selection if serving as a project consultant. The (lead) municipality must remain the financial administrator.

Statutory Definition of a Rural Town
