

AEROMART

March 25-27, 2025

Palais des Congrès de Montréal—Montréal, Québec, Canada

Aeromart Montréal

Your Gateway to High-Performance and Innovative, World-Class Supply Chains

As the premier suppliers' forum for Québec's aerospace industry, Aeromart Montréal provides participants with a remarkable opportunity to identify and engage new resources, partners, and business contacts for strengthened supply chains and to better apprehend the future. With **800** companies, **1400** participants from **25** countries, and **11,000** business meetings, Aeromart Montréal will provide you with outstanding networking opportunities for the global aerospace and defense industries.

The Vermont Agency of Commerce in cooperation with the US Commercial Service, and the U.S. Small Business Administration, would be pleased to sponsor your attendance at the Aeromart Aerospace Supply Chain event in Montréal, Canada.

Benefits

- ✓ Advanced Marketing & Media Assistance
- ✓ B2B Matchmaking and Meeting Booth
- ✓ Access to Global Aerospace & Defense Supply Chain Executives
- ✓ Financial Assistance for Eligible Clients

Costs and Deadlines:

Due to support provided through the U.S. Small Business Administration's State Trade Export Promotion program (STEP), participation in a booth is made available to a limited number of eligible Vermont Aerospace, Aviation and Defense businesses for \$500 fee (\$4,500 value).

*Registration covers exhibit space and B2B services at the event for one employee and does not include travel, meals, hotel accommodations or registration fees for additional employees. Additional event passes may be purchased at each company's own expense. **\$500 deposit** is required and non-refundable.*

For more information or to register, contact Daegan Goodman at Daegan.Goodman@vermont.gov

Registration deadline is January 30, 2025

Exhibit Space is Limited
