A limited number of visitor parking spaces are available on the left just after you pass the flag pole and enter the main parking lot (see brown spaces on map). Otherwise you can park in the red unrestricted spaces. After 9:00 am, you are most likely to find available spaces in the parking garage. If you park in the garage, take the elevator or stairs to the 4<sup>th</sup> level of the garage and follow the signs for the ramp to the front of the building and the lobby. Visitors cannot enter the building directly from the parking garage. You have to go around to the front entrance and get a pass in the lobby.
