- II. Public Comment
- III. 250th Presentation next steps (and final video!)
 - a. Recorded presentation is done!
 - b. Commission will see the video at the next commission meeting in February
 - c. Recorded presentation will be on the website
- IV. Next steps for this committee
 - a. Develop a recommendation/request for grants that can be created to support researchers (that will go into Historic Preservation's request to legislature). Figure out criteria for granting (and potentially working with Vermont Humanities or another partner to manage the grants)
 - b. Come up with ideas for roadside markers (and partners/authorities who would be the right people to write them). This is the list of all that currently exist:
