

Britta Tonn, Architectural Historian, Winooski. Ms. Tonn is a preservation planner at VHB in South Burlington. Her historic preservation planning career includes working as a senior architectural historian with CBRE, where she prepared NEPA compliance documents for telecommunication projects nationwide. She has documented Vermont's rich history as an independent historic preservation consultant, focusing on the historic resources in Chittenden County. Ms. Tonn served on the Winooski Planning Commission and is an approved consultant for the Community Development Block Grant program. She is a regular lecturer with Education and Enrichment for Everyone. Ms. Tonn received her BA in History of Art and Architecture from Middlebury College. She has an MA in Education from Goddard University and an MS in Historic Preservation from the University of Vermont.
