The following requirements are those used by the National Park Service and have been previously published in the Code of Federal Regulations, 36 CFR Part 61. The qualifications define minimum education and experience required to perform identification, evaluation, registration, and treatment activities. In some cases, additional areas or levels of expertise may be needed, depending on the complexity of the task and the nature of the historic properties involved.

HISTORIAN REQUIREMENTS

The minimum professional qualifications in history are a graduate degree in history or closely related field; or a bachelor's degree in history or closely related field and a minimum of two years' experience.

If you do not have a graduate degree, indicate here: ☐

If you do not have a graduate degree, list your bachelor's degree below including institution, department, year, and specialization, courses taken in history, **plus one of the following**:

Check the appropriate additional experience.

☐ At least two years of full-time experience in research, writing, teaching, interpretation, or other demonstrable professional activity with an academic institution, historic organization or agency, museum, or other professional institution;

OR

☐ Substantial contribution through research and publication to the body of scholarly knowledge in the field of history.

Provide a description of your contribution and provide a list of publications that contribute to scholarship in the field of history, include emphasis on Vermont history if any.

ARCHITECTURAL HISTORIAN REQUIREMENTS

The minimum professional qualifications in architectural history are a graduate degree in architectural history, art history, historic preservation, or closely related field, with coursework in American architectural history, or a bachelor's degree in architectural history, art history, historic preservation or closely related field and a minimum of two years' experience.

If you do not have a graduate degree, indicate here: ☐

If you do not have a graduate degree, list below your bachelor's degree including institution, department, year, and specialization, **plus one of the following**:

Check the appropriate additional experience.

☐ At least two years of full-time experience in research, writing, or teaching in American architectural history or restoration architecture with an academic institution, historical organization or agency, museum, or other professional institution;

OR

☐ Substantial contribution through research and publication to the body of scholarly knowledge in the field of American architectural history.

Provide a description of your contribution and provide a list of publications that contribute to scholarship in the field of American architectural history, emphasis focus on Vermont architectural history if any.

SUBMIT

Attach a current resume or CV. This document must detail your employment history as a Historian and/or Architectural Historian, including employers, dates employed, title, nature of work, and number of full-time years or months employed.

Email completed form and additional documents to Lindsay.Pacheco@vermont.gov.
