Dear Mr. Pochop and Review Board,

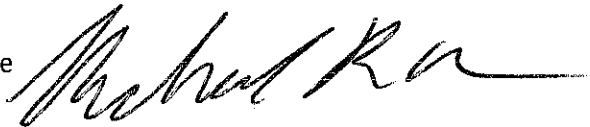

We are writing in support of the Safe Routes to School Grant opportunity. We have been in need of a safer alternative to the current route for our local children to access their school or local resources. We hope you would seriously consider Irasburg's application and we thank you for the opportunity to apply. We also write to verify our willingness to fund and maintain the sidewalk after completion. If received the Board plans to use ARPA funds to meet the match requirement. Thank you for your consideration.
