Dear Mr. Pochop,

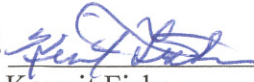

The Town of Lyndon Selectboard would like to express their strong support for the Town application for a 2024 Bicycle and Pedestrian Grant Program Small-scale Construction Project Grant from the Vermont Agency of Transportation (VTrans) to replace a 355' segment of sidewalk along the south side of Maple Street. Additionally, we would like to acknowledge that we are willing to provide the required local match and future maintenance responsibility for the proposed replacement of the 355' +/- segment of sidewalk which is located between Park Avenue and Main Street.

We hope you will look favorably upon our request.

Sincerely,

Town of Lyndon
