Scott Robertson, P.E.
Vermont Agency of Transportation
Transportation Alternatives Program
219 North Main Street
Barre, VT 05641

Dear Mr. Robertson,

The Town of Weathersfield is in full support of the grant application to fund a scoping study for pedestrian improvements in the Town of Weathersfield. The need to plan for pedestrian accommodations in Weathersfield is laid out in the 2017 Town Plan. The Town Plan envisions either sidewalks or paved and marked bicycle and pedestrian shoulders along VT Route 106.

The Town intends to continue to invest in Weathersfield. The Town also encourages further use of the pedestrian trails in and around the Village. Pedestrian connections within the Village itself form an integral component of this vision for Weathersfield.

The total cost of this project is anticipated to be \$40,000 and the Town is committed to a cash match.

If you have any questions or concerns, please do not hesitate to contact me.

Respectfully,

A handwritten signature in dark ink, which appears to read "Mike Todd", followed by the date "12/5/23".

Mike Todd
Selectboard Chair

CC: Brandon Gulnick, Town Manager
