

VERMONT AGENCY OF TRANSPORTATION

AGGREGATE SOURCE PROGRAM

SAMPLE RECEIVING GUIDE

This guide contains the procedure in which aggregate samples are to be delivered to the various Agency Labs for testing by Aggregate Source Producers. Note that this guide lists after hours drop off locations for samples. Working hours for the labs is defined from 7am to 3:30pm.

When delivering samples, please make sure that all bags and buckets are clearly labeled. Upon depositing samples in the after hour drop box locations, please alert the aggregate technician by phone, email, or text.
