Re: Statewide Design-Build-Own-Operate-Maintain (DBOOM) Electric Vehicle Supply Equipment (EVSE), Request for Qualification, Shortlist Notification.

The Vermont Agency of Transportation (VTrans) hereby notifies interested parties that the following firms have been shortlisted pursuant to the Statewide Design-Build-Own-Operate-Maintain (DBOOM) Electric Vehicle Supply Equipment (EVSE) Request for Qualifications (RFQ) issued on 06/30/2026:

1. Canopy Charging LLC
2. Universal EV LLC
3. Weston & Sampson

These firms, together with the firms previously shortlisted pursuant to VTrans' are eligible to participate in and submit Proposals in response to subsequent Statewide EVSE RFPs issued by VTrans, subject to the requirements and terms of each individual RFP.

The shortlist established through this RFQ is supplemental to, and does not supersede or replace, the shortlist established through the prior procurement. Firms previously shortlisted under the prior procurement remain eligible to participate in subsequent Statewide EVSE RFPs in accordance with the applicable procurement requirements.
