 Re: Lyndon IM091-3(53) Progressive Design Build RFP_ Addenda #2

Bidders are hereby notified that Lyndon IM091-3(53) Progressive Design Build RFP is revised to address the following question that was provided to the Vermont Agency for Transportation (VTrans) for clarification. VTrans response to questions can be found and outlined below in blue.

1. The One-on-One Discussions are currently scheduled for 7/24 and 7/25. The deadline to submit questions is 7/27, which is a Saturday, and only 2 days after the One-on-One discussions. This does not leave much time to develop questions following the discussions. Would VTrans allow an additional week to submit questions?
