

Reader's Guide to Prallethrin Docket # EPA-HQ-OPP-2011-1009

Publication Date: June 20, 2012

EPA has created this document to provide an organizational structure to the Registration Review Prallethrin Docket for Public Comments. The docket index groups related documents. The first group contains the Federal Register and Docket Organizational Documents, the second group contains the Environmental Risk Assessment document, the third group contains the Human Health Assessment, and the fourth group contains use/usage information and a review of human incidents. The Agency is providing the "Reader's Guide" to allow the reader to more easily access and navigate the various items contained in the Prallethrin docket.

Federal Register and Docket Organizational Documents:

- Docket Item 1.** Federal Register Notice: Prallethrin Registration Review
- Docket Item 2.** Reader's Guide to the Prallethrin Docket # EPA-HQ-OPP-2011-1009
- Docket Item 3.** Prallethrin Preliminary Work Plan Document
(June 8, 2012)

Environmental Fate and Effects Documents for Registration Review

- Docket Item 4.** Registration Review - Problem Formulation for Environmental Fate, Ecological Risk, Endangered Species, and Drinking Water Assessments for Prallethrin
(April 17, 2012)

This document provides an overview of what is currently known about the environmental fate and ecological effects associated with prallethrin and its degradates, and outlines uncertainties regarding attributes of the parent compound and its transformation products.

Human Health Document for Registration Review

- Docket Item 5.** Prallethrin: Human Health Assessment Scoping Document in Support of Registration Review
(May 10, 2012)

This document evaluates the status of the human health assessments to determine the scope of work necessary to support the registration review of the selective herbicide Prallethrin.

Human Incidents

Docket Item 6. Prallethrin: Review of Human Incidents
(February 14, 2012)

This report represents poisoning incidents occurring in the United States for Prallethrin.

Use and Usage Information for Registration Review

Docket Item 7. BEAD Chemical Profile for Registration Review: Prallethrin
(128722)
(December 28, 2011)

The purpose of this document is to convey usage information and a broad overview of the pest management roles of pesticides that are beginning to undergo registration review.

Docket Item 8. Prallethrin (128722) Cal. DPR Usage Data
(January 17, 2012)

This document provides publicly available data from the California Department of Pesticide Regulation (CADPR) that outlines the pounds of Prallethrin used in California over the three most recent years (2008 – 2010).

Docket Item 9. PRD Label Data Report: Food/Feed & Non-Food/Non Feed Uses
Considered in Registration Review Work Planning
Prallethrin (128722)
(September 21, 2011)

This table lists the food/feed and non-food/non-feed uses for Prallethrin.
