30-Minute IAC Breakout Group Discussion

October 25th, 2024 Joint Meeting

This session is designed for you to share information and strategize amongst yourselves, which will be beneficial in preparation for future working meetings. Please reflect on the following questions to support your discussion:

- How is your agency preparing to implement the upcoming EJ Law deliverables?
 - Which deliverables or areas of influence are you working on currently in your agency?
 - What systems, structures, or practices would be helpful (e.g., ANR's EJ Network)?
- What have you learned from this year's public meetings?
- How have these meetings informed your work at your agency?
- What obstacles have you faced in implementing the EJ Law at your agency, and how are you working to overcome them?
