

Climate Action Plan Public Virtual Meetings

Annotated Agenda

January 6th, 2026 | 6:00-7:15 pm

January 12th, 2026 | 12:00-1:15 pm

Time	Agenda Item	People	Details
0 – 2 minutes	Welcome and meeting objectives	David & Councilor TBD	• David Plumb settles room • Councilor(s) speak to objectives
2-15 minutes	Overview of the Climate Action Plan	Councilors TBD	• Councilor(s) walk through a very high-level overview, emphasizing the plan is a roadmap, and enacting it takes many players and collaboration across sectors and the state ○ 10 highest priority actions – focusing on these ○ how public input and engagement shaped the outcome
5-10 minutes	Clarifying questions	David facilitate; tees up relevant councilors to answer	• Answer any clarifying questions from audience
15-30 minutes	What's Most Compelling – Exercise and Discussion	David facilitate Councilors TBD	• CBI facilitates an exercise (Menti short answer?) then a discussion that prompts participants to answer – What action is most compelling to me (and my organization/constituents) in this updated CAP? What is an immediate next step to move it forward? Or, what is a barrier to moving it forward that needs to be addressed first?

30 – 55 minutes	What's Next? – Panel and Discussion	David facilitate Councilors TBD	• A handful of Councilors speak to how this plan is serving as a launching pad for work their organization/community/etc. (CBI facilitates) • Open discussion about how each participant might build from the plan
55-60 minutes	Wrap up and Close		• Thanks and next steps
