Vermont Climate Council

23-member public body made up of legislative appointees and Administration appointees

Science & Data Subcommittee

Agriculture & Ecosystems Subcommittee

Cross-Sector Mitigation Subcommittee

Rural Resilience & Adaptation Subcommittee

Just Transitions Subcommittee

Life-Cycle Analyses

Agricultural Emissions Analysis

Transportation

Municipal Vulnerability Index

Public Engagement

Biomass

Climate Toolkit

Measuring and Assessing Progress Tool

This task group has not met since the passage of the Climate Action Plan

Implementation Task Group

Substantive Task Group

○ Indicates member(s) of relevant colored subcommittee sit on this task group

Council Meeting Schedule – Beyond May

June 13 Meeting – **Cancelling**

- Biomass and Transportation Progress Update
- Partner Public Engagement Focus

Fall Meetings – Determine Schedule

Substantive Components

- Budget Process
- Consideration of Biomass and Transportation Recommendations
- Prioritization for New Biennium

Ongoing Work

- Public Engagement
- Technical Analyses

Steering Committee Meeting Schedule

- **Will Continue to Meet Monthly**
- **Encourage Councilors to Attend and Contribute**
- **Workflow for Summer:**
 - Subcommittee Roles and Needs
 - Process for Prioritization for Biennium
 - Public Engagement
 - Updates
