- 4:00 Introduction - Kelly  
- Review Agenda and Accept Minutes from 10/3/2024
- 4:10 Climate Action Office updates - Sophi
- 4:20 Outline of Just Transitions chapter in the Climate Action Plan and next steps for drafting
- 1) Walk through of the outline of Revised Section (20 min) - Claire, Beverly, Abbey, Denise
    - o Subcommittee Liaisons share outcomes of discussion with each subcommittee in November about what they have done to center equity. Recommendations to best to capture that info (written draft, recorded specific meeting, survey). Note: this content may be included in the JT chapter of the new plan and it may be dispersed/integrated more holistically throughout the Climate Action Plan
  - 2) How to approach rough drafting in November & December (20 min)

Proposed approach: Need JT Volunteers to help write a first draft based on the outline:

    - Have people sign up to write specific sections in November
    - Note that content from subcommittees forthcoming; we'll make progress on other components of the chapter in the meantime
    - After people have drafted parts individually, convene smaller groups (two, three?) to work through edits together (late November?)
    - Share contributions from other subcommittees at 12/5 JTSC meeting. Talk about how to incorporate those (in JT chapter? Accompany other chapters? Connected to stories?) and get volunteers to further those sections.
    - Then, once everyone's had a go at the document, bring the draft to Just Transitions subcommittee's January meeting so the full group can discuss

3) Goal to approve Final version at February JTSC meeting (2/6)

5:15 Public Comment

5:25 Support in problem solving for Just Transitions topics that are coming up in other subcommittees.

- Liaisons summarize how things are going with each of the drafting subcommittees and equity issues, questions, or conversations that have come up.(5 min each - 15 min total)
- Discussion amongst group to support liaisons and drafting subcommittees. (20 min)
