

Transportation Task Group Minutes, 8/22/22

3:30 PM Welcome

- Approval of Minutes from [8/15/22](#)

3:35 PM Revised [Draft Transportation Recommendations](#)

- Joey revised the Transportation Memo based on input from TJ, Liz Miller, Andrea. Bram also submitted input and comments as well, which were similar to TJ and Liz's comments so they have been captured.
- Goal is to have new draft of the memo for the next CSM meeting
- After discussing several comments from the previous CSM meeting, the group decided to review the clean draft of the memo during the upcoming week and have additional edits and feedback by the next Task Group meeting on August 29th.

4:15 PM Budget Discussion

- Jane reviewed the need to articulate budget priorities of the Climate Council, and the timeline for development of the priorities within subcommittees and task groups. Recommendations will need to be ready to be delivered by October.
- CBI will be available to facilitate the budget discussions at the Council meeting.
- Group agreed that there are tangible items in the transportation memo that could be ripe for funding (e.g. staffing of Council, GHG reporting program, public engagement strategies and others)

4:45 PM Updates

- Transportation Events – Still looking for volunteers for the public events. Megan will send out more information about specific needs at each event this week.
- CRS Contract
 - Kick-off for the technical committee will be scheduled for mid-September.

4:50 PM Public Comment

- Jordan provided an update on the focus groups that the transportation and equity group conducted. The results are being analyzed currently and the report will be available soon.
