

VERMONT CLIMATE COUNCIL – 2023-2024 STRATEGY

What elements will make the Council's process successful in the coming two years?

Some initial thoughts here:

Some more detailed reflections here:

CAPACITY

What capacity exists among Councilors, committee members, staff? Are the tasks realistic given this capacity?

TASKS

What work needs to get done for a successful plan update? What other tasks are needed (addendums etc)

ROLES

How will the work get done? Roles of Council, Sub-committees, Task Groups, staff.

PROCESS & GOVERNANCE

Are there important updates needed to the Council's Process Document?
