# Goals of Engagement:

Policy for Vermonters, made with Vermonters

## The main goals for engagement are...

- 1) Engage with a wide variety of Vermonters
- 2) Offer many opportunities to provide feedback
- 3) Review and incorporate past engagement
- 4) Be transparent in how feedback is shared
- 5) Collaborate with partners

# Engagement to-date

Climate Action Office Tabling in Partnership with Consensus Building Institute

PSD Specific Tabling Events – over 200 Vermonters engaged

“Office Hours” Events

Statewide Representative Polling and Focus Groups in Partnership with Mass Inc Polling Group

# What's Planned...

## Additional CEP Engagement

Continued Office Hours  
Opportunities

Tabling Events

### Webinars

- “What is the CEP?” Fall 2026
- Topic-specific webinars January and February 2027

Opportunities for community-led CEP engagement by RPCs, small utilities, municipalities, non-profits and community groups w/ funding support (February – June 2027)

# Thank You.
