The homestead education tax table below estimates the amount taxpayers will pay on their housesite in FY2014.

Education tax amounts shown below apply to a house and up to two acres but do not include any municipal rebates nor additional credits.

1. Find the row with the listed housesite value closest to your housesite value (house and up to two acres).
2. Find the column that most closely approximates your 2012 household income.
3. Where the two intersect is an approximation of the education taxes owed in FY2014 for your housesite.
