## FY2023 Education Funding Summary, Based on Budget Submitted by School Districts

**District: Barre City**  
**S.U.: Barre SU**

**LEA ID: T011**  
**County: Washington**

### Calculation of Homestead Tax Rate

The FY2023 Homestead tax rate is based on the local school district budget and each union district budget of which it may be a member. A rate is calculated for each budget and pro-rated, based on the number of equalized pupils that belong to each district (Local & Union) from the municipality. The pro-rated tax rates are divided by the CLA and summed to determine the municipality's homestead education tax rate. (Line 10)

### Calculation of the Distribution of Education Fund Taxes

This section distributes the education taxes raised by the municipality to the municipality's school district(s). The education taxes are apportioned by the equalized pupil ratios for the municipality (line 20). The municipality's equalized pupils at a union(s) as a percent of the union total is used for calculating the amount the municipality owes to the union school district (lines 24 & 25).
