Calculation of Homestead Tax Rate

The FY2022 Homestead tax rate is based on the local school district budget and each union district budget of which it may be a member. A rate is calculated for each budget and pro-rated, based on the number of equalized pupils that belong to each district (Local & Union) from the municipality. The pro-rated tax rates are divided by the CLA and summed to determine the municipality's homestead education tax rate. (Line 10)
