

This Example is intended to point out changes between the title2011.dgn and the title2011a.dgn all other standard practices remain the same as defined in the CADD Standards and Procedure Manual or the Section design / process manuals.

NOTE: (information listed below will typically be on the first sheet in the plan set not on title sheet). This info may have been shown on the title sheet in the past for some agency sections, but we typically prefer this type of info in the plan not on the title sheet.

PROPOSED IMPROVEMENT

BRIDGE PROJECT or
RAIL PROJECT
Text goes here.

BRIDGE PROJECT

NEW - Vermont Agency of Transportation - Title sheet

This new Title Sheet Shall be used in place of title2011.dgn. Projects already well into final design may continue to use the title2011.dgn at the Project Managers discretion. The Agency Title Sheets are designed to be used AS IS without modifications. The new Logo and PE stamp area are intended to provide space for Consultant Engineering Firms to be recognized.

Note: there are saved views within the MicroStation Design Model to facilitate the Bridge Project, Rail Project and Standard Highway Safety and Design Project, Level settings for the FHWA Box and Consultant Logo/PE Stamp box Levels should be toggled ON as needed.

The "CONVENTIONAL SYMBOLOGYS" section of the title sheet has been removed. Please use the standard Conventional Symbology Sheet provided on the AOT CADD Help web site.

The Standard Specification for Construction NOTE has been relocated, as shown.

The Quality Assurance Program Level section has been relocated, as shown as well as the Surveyed Information and DATUM information, as shown

A new space has been designated for P.E. Stamps and Company Name and or Logos. This box should be toggled off for VTrans in house Design Projects

THESE PLANS ARE SUBJECT TO SUCH ENGINEERING CHANGES AS MAY BE REQUIRED BY THE FEDERAL HIGHWAY ADMINISTRATION OR THE DIRECTOR OF PROGRAM DEVELOPMENT.
CONSTRUCTION IS TO BE CARRIED ON IN ACCORDANCE WITH THESE PLANS AND THE STANDARD SPECIFICATIONS FOR CONSTRUCTION DATED 2011, AS APPROVED BY THE FEDERAL HIGHWAY ADMINISTRATION ON JULY 20, 2011 FOR USE ON THIS PROJECT, INCLUDING ALL SUBSEQUENT REVISIONS AND SUCH REVISED SPECIFICATIONS AND SPECIAL PROVISIONS AS ARE INCORPORATED IN THESE PLANS.
