Road Foreman
9 West Jamaica Road
Stratton, VT 05360

Dear Ralph:

I am pleased to provide a letter of support for the Town of Stratton's application submission for a Category A and D Better Roads grant. Category A will provide an opportunity to conduct an update on the town's culvert and bridge inventory; as well as conduct the road erosion inventory. For Category D, the culvert replacement on County Road, will contribute to the improved water quality in Kidder Brook. This application conforms to the policies found in the Windham Regional Plan (September 2014):

- 1. Maintain and restore the chemical, biological, and physical quality of the region's surface water per the objective in State water regulations.*
- 2. Improve existing roads and design culverts and bridges to carry a 50-year flood event without damage.*

Please contact me if you have any questions.

Sincerely,

Matt Mann
