

MAINTENANCE OF TRAFFIC SIGNAL

Waterbury IM 089-2(43)/NHG SGNL(43)

- xx. DESCRIPTION. This work shall consist of maintaining a traffic signal at the location indicated in the Plans and as directed by the Engineer.

The work under this Section shall be performed in accordance with these provisions, the Plans, and Section 678 of the Standard Specifications.

- xx. GENERAL REQUIREMENTS. Any timing adjustments shall be submitted to the Engineer for approval prior to implementation. The Engineer shall notify the Agency's Traffic Design Section when such changes are implemented.

- xx. METHOD OF MEASUREMENT. The quantity of Special Provision (Maintenance of Traffic Signal) at the location specified to be measured for payment will be on a lump sum basis in the complete and accepted work.

- xx. BASIS OF PAYMENT. The accepted quantity of Special Provision (Maintenance of Traffic Signal) will be paid for at the Contract lump sum price. Payment will be full compensation for maintaining the traffic signal, including payment of any utility costs, performing any timing adjustments required to accommodate changing traffic control phases of the project, and for furnishing all labor, tools, equipment, and incidentals necessary to complete the work.

Replacement of poles and cabinet/controller will not be considered maintenance costs unless the loss is due to the Contractor's negligence. At the discretion of the Engineer, the Contractor may be required to replace poles and cabinet/controllers that are lost or damaged due to an accident. If required, such work will be considered Extra Work under Subsection 109.06 and additional payment will be allowed.

Payment will be made as follows:

- (a) Ten percent of the Contract unit price will be paid after successful completion of the 30-day test control period.
- (b) The remainder, less 20 percent of the Contract unit price, will be paid on a prorated basis for the estimated duration of the Contract work remaining.
- (c) The final 20 percent of the Contract unit price will be paid upon acceptance of the project.

Payment will be under:

<u>Pay Item</u>	<u>Pay Unit</u>
900.645 Special Provision (Maintenance of Traffic Signal)	Lump Sum
