**AMPHITHEATER**

**From Addison STP 032-1(18)**

**xx. DESCRIPTION.** This work shall consist of constructing an amphitheater at the location indicated in the Plans and as directed by the Engineer.

**xx. MATERIALS.** Materials shall meet the requirements of the following Subsections:

- Earth Borrow..............................................703.02
- Crushed Gravel for Subbase..................................704.05
- Topsoil......................................................755.02
- Seed....................................................................755.04

(a) Stone. Stone walls shall be constructed as shown in the Plans and in accordance with Section 602. The stone shall be locally quarried Panton stone meeting the requirements of Subsection 706.01, except that the stone shall be cut or tooled into blocks approximately 24 inches high, 30 inches wide and between 36 inches and 48 inches long. The face of the stone shall have a natural finish. The ends of the stone blocks shall be cut or tooled so that blocks can be placed on the radius shown on the Plans with tight joints between adjoining stones.

A sample (one stone) shall be cut and delivered to the Engineer for inspection and acceptance prior to placing the entire order for the remaining stone to construct the amphitheater.

Stone dust and blue flagstone shall meet the requirements of FLAGSTONE PAVERS of Section 900.

**xx. CONSTRUCTION REQUIREMENTS.** The amphitheater shall be constructed as shown in the Plans.

**xx. METHOD OF MEASUREMENT.** The quantity of Special Provision (Amphitheater) to be measured for payment will be for each amphitheater installed in the complete and accepted work.

**xx. BASIS OF PAYMENT.** The accepted quantity of Special Provision (Amphitheater) will be paid for at the Contract unit price for each. Payment will be full compensation for furnishing, transporting, handling, and placing the materials specified; excavation; and for furnishing all labor, tools, equipment, and incidentals necessary to complete the work.

Payment will be made under:
