

AGGREGATE SURFACE COURSE

**\*\*From Proctor-Middlebury STP WCRS(7)**

- xx. DESCRIPTION. This work shall consist of removing, stockpiling, and re-using existing aggregate surface course, and supplementing with new aggregate surface course for placing a wearing course of approved aggregate on a prepared surface at the locations shown on the Plans and as directed by the Engineer.

The work under this Section shall be performed in accordance with these provisions, the Plans, and Section 401 of the Standard Specifications.

- xx. GENERAL REQUIREMENTS. The Contractor shall assume that all existing farm crossings have aggregate surface course material in place. The Contractor shall remove and stockpile the existing aggregate surface course material as required to perform the rail removal and replacement work. The Contractor shall re-use the stockpiled aggregate surface course material, and supplement with new aggregate surface course material, as required and as directed by the Engineer.

- xx. METHOD OF MEASUREMENT. The quantity of Special Provision (Aggregate Surface Course) to be measured for payment will be the number of cubic meters (cubic yards) of new material used in the complete and accepted work, as determined by the Plan dimensions of the compacted material or as ordered by the Engineer.

The removal, stockpiling, and re-using of existing aggregate surface course material will not be measured separately but will be considered incidental to Special Provision (Aggregate Surface Course).

- xx. BASIS OF PAYMENT. The accepted quantity of Special Provision (Aggregate Surface Course) will be paid for at the Contract unit price per cubic meter (cubic yard). Payment will be full compensation for performing the work specified and for furnishing all materials, labor, tools, equipment, and incidentals necessary to complete the work.

Water used for obtaining the required compaction will not be paid for separately but will be considered incidental to Special Provision (Aggregate Surface Course).

Payment will be made under:
