

AGGREGATE SURFACE COURSE, COLORED STONE

****From Brandon NH 019-3(495)**

- xx. DESCRIPTION. This work shall consist of furnishing and placing a wearing course of approved aggregate on a prepared surface at the locations indicated in the Plans and as directed by the Engineer.

The work under this Section shall be performed in accordance with these provisions, the Plans, and Section 401 of the Standard Specifications.

- xx. MATERIALS. Aggregate surface course stone shall be clean, hard, crushed stone of the same size and color as existing aggregate surface course stone, and shall consist of hard, durable aggregate sufficiently free from dirt, organic material, structurally weak pieces, and other deleterious materials.

- xx. CONSTRUCTION REQUIREMENTS. It shall be the Contractor's responsibility to review existing aggregate surface course stone and to procure, furnish, and place an equivalent product.

- xx. SUBMITTALS. The Contractor shall submit a 19 liter (5 gallon) sample of proposed aggregate for the Engineer's review prior to beginning the work. The sample shall be representative of the color of aggregate proposed for use and shall be of uniform size and gradation.

- xx. METHOD OF MEASUREMENT. The quantity of Special Provision (Aggregate Surface Course, Colored Stone) to be measured for payment will be the number of cubic meters (cubic yards) used in the complete and accepted work, as determined by the Plan dimensions of the compacted material or as ordered by the Engineer. No allowance will be made for material placed to a depth greater than that shown on the Plans unless ordered by the Engineer.

- xx. BASIS OF PAYMENT. The accepted quantity of Special Provision (Aggregate Surface Course, Colored Stone) will be paid at the Contract unit price per cubic meter (cubic yard). Payment will be full compensation for performing the work specified and for furnishing all materials, labor, tools, equipment, and incidentals necessary to complete the work.

Water used for obtaining the required compaction will not be paid for separately but will be considered incidental to Special Provision (Aggregate Surface Course, Colored Stone).

Payment will be made under:

<u>Pay Item</u>	<u>Pay Unit</u>
900.608 Special Provision (Aggregate Surface Course, Colored Stone)	Cubic Meter (Cubic Yard)
