

RELOCATE SIGN

****From Jericho STP FTBR(3)**

- xx. DESCRIPTION. This work shall consist of relocating sign(s) and appurtenances, including post(s) and lighting, at the locations indicated in the Plans and as directed by the Engineer.

The work under this Section shall be performed in accordance with these provisions, the Plans, and Section 675 of the Standard Specifications.

- xx. MATERIALS. Existing materials shall be re-used. If existing materials are not re-usable as determined by the Engineer, they shall be replaced in-kind.

- xx. CONSTRUCTION REQUIREMENTS. Prior to performing the work, the Contractor shall coordinate with the property owner and the Engineer to determine an acceptable location for the relocated sign(s).

Sign materials to be re-used shall be removed and handled in a manner that will prevent damage. Signs designated for re-use that are damaged by Contractor operations shall be replaced at no additional cost to the State. Foundations shall be removed in their entirety. Holes resulting from the removal of sign posts and foundations shall be backfilled with suitable material and the area restored to a condition similar to that of the adjacent area.

Posts shall be removed and re-installed in a manner consistent with the original placement of the posts or as directed by the Engineer. Posts shall be erected plumb.

Relocated signs and lighting shall be mounted in a manner consistent with the original configuration. Relocated lighting shall be in working order as acceptable to the Engineer.

- xx. METHOD OF MEASUREMENT. The quantity of Special Provision (Relocate Sign, **Commercial/Lighted**) to be measured for payment will be the number of each sign (or sign assembly for multiple signs at the same location) relocated in the complete and accepted work.

xx. BASIS OF PAYMENT. The accepted quantity of Special Provision (Relocate Sign, Commercial/Lighted) will be paid for at the Contract unit price per each. Payment will be full compensation for removing and relocating the sign(s) and appurtenances, including post(s) and lighting; for any necessary wiring; for all other materials necessary for a complete relocation; and for furnishing all labor, tools, equipment, and incidentals necessary to complete the work.

Payment will be made under:
