

CULVERTS AND STORM DRAINS, ALL-INCLUSIVE

****From Danville FEGC 028-3(32)**

- xx. DESCRIPTION. This work shall consist of furnishing and installing culverts and storm drains, hereinafter referred to as pipe, at the locations indicated in the Plans and as directed by the Engineer.

The work under this Section shall be performed in accordance with these provisions, the Plans, and Sections 204 and 601 of the Standard Specifications.

- xx. METHOD OF MEASUREMENT. The quantity of pipe of the type and size specified to be measured for payment will be the number of meters (linear feet) used in the complete and accepted work, as shown on the Plans or ordered by the Engineer. No allowance will be made for "growth" in length at joints when this increase exceeds the ordered length.

When it is necessary to cut pipe in the field, the quantity of pipe to be measured for payment will be the length necessary, rounded to the next whole meter (2 foot) increment.

The pay limit for temporary pavement patching material will be measured as the diameter of the pipe plus 0.6 m (2 feet) multiplied by the length of the trench.

- xx. BASIS OF PAYMENT. The accepted quantity of pipe of the type and size specified will be paid for at the respective Contract unit price per meter (linear foot). Payment will be full compensation for fabricating, furnishing, transporting, handling, and placing the material specified to include bituminous or other coating, coupling bands, joint material, and cutting when necessary; excavation; backfill, including material required to replace poor foundation material below the normal grade of the pipe; and for furnishing all labor, tools, equipment, and incidentals necessary to complete the work.

Anchor bolts, required in the construction of headwalls, will not be paid for separately but will be considered incidental to the Contract unit price for the pipe on which they are required.

Payment for temporary pavement patch will be made separately under Contract item 900.680 Special Provision (Bituminous Concrete Pavement, Small Quantity).

Payment will be made under:

<u>Pay Item</u>	<u>Pay Unit</u>
900.640 Special Provision (<input checked="" type="checkbox"/> (x") Pipe Type, All-Inclusive)	Meter (Linear Foot)
