REMARKS **Arty,**

Attached please find our precast framing drawings and individual piece details for the precast/prestressed concrete NEXT Beams, abutment walls, pier caps, wingwalls, and approach slabs, which are submitted for approval on the project. Also attached are submittal notes to highlight several changes in the drawings as compared to the contract drawings. Our design calculations for the lifting of precast components will be forthcoming.

Please contact us at 802-388-6363 with any questions.
