REMARKS **Artie,**

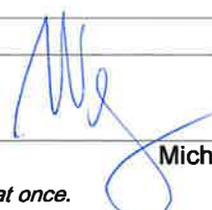

We are submitting the attached full set of precast framing drawings and individual piece details for the project to propose the modified location of the key way in Abutment #2, and the associated relocation of Wingwall #4 to be positioned flush with the front face of the abutment.

The updated drawings associated with this proposal include F1, F3, AB2, PCI, and WWI all of which are marked "Submitted 4/28/14" and marked Revision 2. These proposal drawings are included within the full set of previously submitted drawings marked 'issued for production' for your information/reference.

Please contact us at 802-388-6363 with any questions.
