Project Name: Middlesex BRF 024-1(37)

Structure Identification: Bridge 77 on VT 12

The resubmitted fabrication drawings for Item 506.50, “Structural Steel, Rolled Beam (Galvanized)” for the above project have been reviewed and are being returned herewith.

The fabrication drawings are approved as noted and the weld procedures are approved.

You must provide notice to our fabrication inspector, Jeff Clark, as to the date fabrication represented by these drawings will begin. Jeff has requested a prefabrication meeting at your earliest convenience. Jeff must receive and acknowledge your notice at least seven days prior to that date, as per Specification 506.03. You may contact Jeff by phone at (802)828-0044 or email at jeff.clark@state.vt.us. Any material fabricated prior to the notification date is subject to rejection without further cause.

Also, please submit extended weights for our approval. Partial payment for this item will be withheld until extended weights are received and approved.

Sincerely,

Carolyn W. Carlson
