Dear Ms. MonoKandilos:

Please find your enclosed Vermont Lead Abatement Contractor Entity license and certificate. Please be aware that if MonoKo, LLC plans on performing any lead abatement projects in Vermont they must **apply for and successfully be issued at least one Vermont Lead Supervisor Contractor certificate**. See regulations below:

- **In accordance with Section 4.1 (a) of the Vermont Regulations for Lead Control (VRLC): *All Abatement Contractors shall apply to this Department in accordance with Section 3 and submit evidence that all workers and supervisors have obtained certification in accordance with these regulations.***
- **In accordance with Section 4.1 (b) of the Vermont Regulations for Lead Control (VRLC): *The Contractor shall ensure that a licensed Supervisor remains present on-site whenever any lead abatement activity is being carried out as part of a lead abatement project.***

A copy of the entity application can be downloaded from our website:
