Subject: **Woodstock BRO 1444 (55)** – Erection Plan Review

Dear Jesse:

I have received the July 24, 2013 submittal for the erection of the pre-cast concrete structure as submitted and find it acceptable.

This acceptance may be rescinded, at any time, if deemed to be in the best interest of the Vermont Agency of Transportation, the safety of the traveling public, and/or the integrity of the project.

Sincerely,

A handwritten signature in cursive script that reads "Ann L. Gammell".
