9 Commercial Street  
Hudson, NH 03051

June 4, 2015

Project Name: Richford Project #: BRF 0302(29)

Structure Identification: **Bridge 6 over the Berry Brook**

The following Precast Concrete Structure (28' x 6' x 29' Frame or Arch Type), Precast Concrete Structure (Pedestal Walls Abutment 1 and 2) and Precast Concrete Structure (Wingwalls 1 thru 4) details [Item 540.10, Precast Concrete Structures] for the above project (Vendor's Job # C22312) transmitted through SharePoint on May 29, 2015 have been reviewed and are being returned herewith.

**All sheets need to be resubmitted.**

We have noted that the water repellent that you are proposing to use is not on our approved product list. Please review and provide us with an appropriate silane product.

There shall be no fabrication done until all drawings have been approved.

Please remember that Jim Wild (802-828-6931) needs at least **Two weeks Advance Notification** with regards to fabrication dates of all the precast structures. Any material fabricated prior to the notification date is subject to rejection without further cause. **Also, please be reminded that when we give you a final approval of these drawings that a Pre-Production meeting will need to be scheduled with Jim Wild as per our specifications.**

If you have any questions, please contact me at (802) 828-0048.

Sincerely,

*Carolyn W. Carlson*
