Dear Volker,

We have reviewed the "Traffic Control Plan 1, All Existing Roads Open" and it is approved. Prior to any traffic control change, for example, "Dorr Drive Closure", a new traffic control plan will need to be submitted for our approval. It is not acceptable to change traffic control scenarios without an approved traffic control plan. Please be advised that we are allowed 14 days to review and respond to the traffic control plans, so please plan accordingly.

Thank you
