Subject: Barnard ER BRF 0241(39)– Erection Plan for Precast Units (Rev 1)

Dear Paul,

The revised Erection Plan for the precast units, dated May 7, 2014, is hereby accepted.

Submission of the erection plan is for the Agency's documentation only and shall not be construed as approval of the proposed method of erection. The Contractor shall follow the erection plan as submitted.

This acceptance may be rescinded, at any time, if deemed to be in the best interest of the Vermont Agency of Transportation, the safety of the traveling public, and/or the integrity of the project.

Sincerely,

A handwritten signature in black ink that reads "Ronald D. Gray".
