Re: I-91 Bridge Improvement, Bridges 43N and 43S
Erection Falsework Certification

Dear Mr. Mackling:

A thorough inspection of the NB Girder Erection Falsework has been completed under my responsible charge, including a personal inspection on May 31, 2015. I certify that the falsework appears to have been constructed in accordance with the materials and details shown on the submitted drawings and calculations, and the previously used materials are adequate for their intended purpose. Remaining subsequent inspections may be performed using electronic means.

Should you have any questions or concerns, please contact me at (813) 264-9500.
Sincerely,

PCL CIVIL CONSTRUCTORS, INC.
