Mr. Paul Lefebvre
Michie Corp.

Re: Rochester ER STP 0162(19)
Delta Project Number: 2014.059.004

Dear Mr. Lefebvre,

With this letter I hereby certify that the design for the Michie anchor wingwalls for the subject project follow the design methodology and general product geometry listed in the Hitec Technical Evaluation Report "Evaluation of the Con/Span Wingwall System" dated July 2001.

If you have any questions or need additional information, please contact me at (607) 231-6670.

Respectfully,

DELTA ENGINEERS, ARCHITECTS, & LAND SURVEYORS, PC

Joseph J. Mieczkowski
