

Risk Management Plan - SAMPLE

Note – this could be a stand-alone document or these charts could be added to a housing search or housing support plan

Identified Risk (Ex. Engagement, health, mental health, suicidality, medication, family/friends, safety, substance use, spending):		
What do I usually do to stay well	What can I do if things are not going well to reduce risk	What can my PSHA provider do if things are not going well
Who else, natural or service supports, should be contacted		
Contact name (information if needed)	When to reach out	Permission for PSHA staff to reach out?

(^^duplicate as needed)

Identified Risk: Lose contact with PSHA provider (lose phone, have to leave motel, etc.)		
Where might PSHA staff be able to locate you	Who could we contact? Name and number(s) / email	Permission to contact?

Identified Housing Risk:		
What do I usually do to stay on top of this	What can I do if things are not going well to reduce risk	What can my PSHA provider do if things are not going well
Who else, natural or service supports, should be contacted		
Contact name (information if needed)	When to reach out	Permission for PSHA staff to reach out?

(^^repeat as necessary)
