7. Statements of understanding

I understand that:

- a. **I can get a copy of this application.** I can request a copy by calling 1-800-786-3214.
- b. **OCS representatives act on behalf of the State of Vermont to enforce child support laws; representatives do not act in the interests of any particular person or party; and OCS lacks the authority to become involved in custody and visitation issues.** This means OCS does not act as my personal advocate or representative in any legal proceedings before the Family Division of Superior Court; must make many discretionary decisions concerning best implementation of its policy objectives; and is guided not only by the economic interests of an individual case, but also by the best interests of a child. When OCS becomes involved in my case, it will investigate and make recommendations to the court based upon its interpretation of the law and facts.
- c. **The role of OCS and my right to get my own attorney in connection with this matter.** I understand that in addition to OCS participation in my case, I may present my own information, testimony and witnesses in any legal proceedings before the Family Division of Superior Court.
- d. **By receiving OCS services, I'll receive all services deemed appropriate by OCS, many of which are automatic.** Services include locating a parent for the purpose of collecting child support, establishing parentage, establishing a child/medical support order, reviewing the amount of child support paid to ensure it is consistent with guidelines, modifying a child support order due to a change in income or circumstances of one or both of the parents, collecting and distributing child support payments, and enforcing a child support order. Other services that may be appropriate include certification of arrears with state and federal tax departments, reports to credit bureaus, lottery offsets, administrative wage withholding, data matches with financial institutions, trustee process, liens and other legal remedies. Parties may not receive prior notification of every process OCS undertakes. It is my responsibility to notify OCS in writing when I no longer want services from OCS.
- e. **Child support payments must be made through OCS.** Payments made directly from one parent to the other parent must be turned over to OCS for issuance. I understand that failure to do so may result in the termination of OCS services.
- f. **If money is sent to me in error or issued to me based on insufficient funds, I must return the money.** If I don't return the money, I authorize OCS to deduct such payments from my account or from future payments until this obligation is satisfied.
- g. **OCS is required to submit minimal information about me to a national directory used only by other state child support agencies.** Federal law prohibits the release of information about those who are at risk of harm from family violence. If I believe that my children or I am at risk, I understand that I may request in writing that OCS not release my information to the directory. I further understand that if I ask OCS not to release my information, there may be delays in my case because some automatic processes may not go forward as usual.
- h. **After I try to resolve an issue with an OCS caseworker and supervisor, I have the right to request an OCS administrative review of any decision or action taken by OCS in my child support case.** I may call my OCS caseworker to request an Administrative Review Form or write to OCS, ATTN: Intercept Unit, 280 State Drive, Waterbury, VT 05671-1060. I must explain my complaint, request an administrative review, and provide the following information: my name, Social Security number, address, daytime phone number, and whether I want the review conducted in person, over the phone, or by mail.
- i. **If a court order requires either parent to provide health insurance for the child, the other parent will have access to information maintained by the child's insurer (e.g., Social Security number).**

8. Signature & authorization for child support services

By signing below, I certify and agree that:

- a. I have read and understand the Statements of Understanding on page 6.
- b. OCS will provide all child support services deemed appropriate, and I authorize the use of all legal means necessary to provide these services.
- c. All child support payments will continue to be made through OCS unless I ask the court to change that part of the order.
- d. Federal and state law requires me to provide OCS with certain information (e.g., Social Security numbers for me and my children) to get child support services and I authorize OCS to use this information to provide the services.
- e. OCS and the agencies, contractors and organizations that work with them are committed to protecting my privacy and keeping my information confidential — in compliance with state and federal law; however, some laws require the sharing of certain information. This could include OCS providing certain information to another agency/person working on my case, the other parent, a health insurance provider or a court as part of a legal action.
- f. I will cooperate with OCS and the agencies, contractors and organizations that work with them.
- g. I have up to seven days from the date of notification to return any money OCS issues to me in error or based on insufficient funds. If I don't return it, I authorize OCS to automatically deduct payments from my account or from future child support payments, in accordance with state law, until my repayment obligation is satisfied. I authorize such deductions without further notice to me.

I have the **right** to:

- Full and equal treatment regardless of race, color, national origin, gender, age, sexual orientation or disability.
- Confidential treatment of my personal information to the extent allowed by law.
- Represent myself or hire an attorney to represent me at hearings & meetings.
- Appeal any decision made or action taken by OCS.
- Obtain copies of non-confidential documents in my OCS case file.
- Stop services initiated solely by me.

I have the **responsibility** to:

- Cooperate fully with OCS.
- Inform OCS of any changes in my circumstances.
- Notify OCS before taking any actions that might affect my child support.
- Ensure child support payments are sent through OCS.
- Participate in all meetings & hearings about my case.
- Keep accurate records of all child support payments and copies of all documents related to my case.
- Inform OCS of any family violence issues/concerns.
- Repay any child support received from OCS that I am not entitled to.
