

# Capacity list for DCF Economic Services housing programs

This list shows anticipated availability/openings at hotels participating in housing programs administered by DCF Economic Services Division—General Assistance Emergency Housing and the Provisional Housing program. **It is updated every weekday and does not reflect “real time” availability.** Capacity is often accessed quickly when it is available and might no longer be available by the time someone calls.

For questions or housing related eligibility, please call 800-775-0506.
