Hotel and Motel Management Teams,

This is an informational notice to provide you with an update regarding the General Assistance (GA) Emergency Housing program.

Beginning April 1, 2026, the following Emergency Housing rules (Act 27 of 2025) will be in effect:

- **80 Day Limit during non-adverse weather:** Participants in the Emergency Housing program are limited to 80 nights since July 1, 2025. Households that have used more than 80 nights since July 1, 2025, will no longer be eligible for Emergency Housing.
- **Room Limits:** There is a room cap of 1,100 hotel/motel rooms per night from April 1 through June 30, 2026.

We extend our sincere appreciation for the partnership and support that hotel and motel owners, managers, and staff across Vermont have provided.
