

P-2210 HOUSEHOLD COMPOSITION

P-2210A Determining the Reach Up Household (Reach Up rule 2240) (20-08)

In order to determine the Reach Up Household, follow these steps:

- Identify the dependent eligible child or children.
- Identify the siblings related to the dependent child by blood, marriage (step-siblings), or adoption in the household, who meet age requirements.
- Identify parent(s) of the dependent child or children in the household, and any parent(s) of the related siblings to the dependent child(ren).

These are the required members of the Reach Up Household.

Example: Single Parent, One Child With Income

A mother has three children; ages 18, 15, and 10; by two different fathers, both absent. Her oldest child receives monthly Social Security benefits (SSDI) based on the noncustodial parent's disability. The mother wants to apply for Reach Up for the two other children.

- The two younger children are eligible children, because they are under 18.
- The oldest child, who is 18 and is scheduled to graduate before his 19th birthday, is a sibling to these two by blood through the mother.
- The mother is the parent in the household, and is related to all the children

The mother and her three children must be included in the Reach Up Household, and the income and resources of all members, including the Social Security (SSDI) received by the eldest child, must be considered as available to the family.

Example: Unmarried Parents; Child-in-Common; Half Siblings

The household consists of two unmarried parents, Mother and Father. The mother has two minor children, Jane and John by a previous marriage. The father, who is working part-time, has a child of his own, Peter, by a previous marriage. The parents, in addition to the children listed above, have a child in common, Mary.

The mother is applying for Reach Up for her two children from her previous marriage.

- Jane and John are eligible children because they are under 18.
- Mary is related by blood to Jane and John. Mary is an eligible dependent child. Therefore, Mary must be included in the Reach Up Household.
- Peter is related to Mary by blood therefore, he must be included in the Household as a sibling of an eligible dependent child.

- Mother is eligible as the parent of Jane, John, and Mary the eligible dependent children.
- Father is eligible as the parent of Mary and Peter.

The Reach Up household is Mother, Father, John, Jane, Mary, and Peter.

Special Circumstances

Termination of Parental Rights

Termination of parental rights does not sever the legal relationship between siblings. The children remain siblings unless they are adopted by different parents.

Example: Caretaker household with half siblings, one with terminated parental rights

Bill has been living with his grandmother, Lena. Lena is receiving a child only Reach Up grant for Bill. Both of Bill's parents have had their parental rights terminated. Jen and Bill have the same birth mother and different fathers. Jen's parents have not had their parental rights terminated. Jen has moved in with Bill and Lena.

Bill and Jen can be on the same Child Only Reach Up grant because they remain siblings.

Children receiving SSI

Siblings of a child receiving SSI do not get pulled into the same household because the SSI child is not in the assistance group (unless their shared parent is in household).

Example: Eric receives SSI and lives with his father, Jim. Jim takes on care of Eric's two half siblings Cecilia and Zoey (shared mother, different fathers than Eric).

Jim is able to receive a Child Only Reach Up grant for Cecilia and Zoey because Eric is not on the grant.
